Date : 24 November 2014

BICE fights against sexual abuse in Russia

Since 2005, BICE has worked with different local partners in Russia.

The goals of our "[Fight against sexual abuse](#)" 2014-2017 programme are:

- To reduce and prevent situations of violence, including domestic violence
- To teach children to identify and deal with dangerous situations that can lead to violence
- Provide quality counselling
- [Promote resilience](#) and recovery of child victims of sexual abuse
- Educate and engage the community and children in the promotion of [children's rights](#)
- Encourage children to stand up for their rights
- Improve communications and parent-child relationships
- Improve parental knowledge and skills of teachers in the field of violence prevention
- Promote positive approach and educational methods
