

Universal children's day

Date : 9 October 2014

As an NGO for Child Protection, the International Catholic Child Bureau mobilizes this opportunity to:

- Make children's rights known
- Denounce situations experienced by children whose rights are violated
- Encourage everyone to act in favor of the rights of the child
- Propose to the public to support our work and make a donation.

Two events to honor the rights of the child

- [A day of prayer and action for children](#): The International Catholic Child Bureau has been associated with the Day of Prayer and Action for Children since 2012. This global event gives a spiritual dimension to the day of the Rights of the Child. It invites everyone to pray and act, wherever they may be, so that the rights of the children are respected.
- [A documentary film festival](#): On the occasion of the World Day of the Rights of the Child, BICE organizes a festival in Paris every year called "Enfances dans le monde". It gives voice to children and educates adults and students of realities lived by children around the world.
